Why Sponsor BI2020:

Building Innovation, the National Institute of Building Sciences’ annual conference, focuses on advances and solutions to common issues faced in the built environment.

As the premier event that brings together executives and top decision-makers in government, the professions, industry, labor and private sector, this is the place to showcase your company’s innovative products and services. Tap into an audience seeking the latest trends in technology, sustainability and resilience, to be used in buildings and communities throughout the world.

Please review the sponsorship opportunities laid out in this Sponsorship Prospectus and, if there is something you are looking for that you do not see, the National Institute of Building Sciences personally will craft an experience that is right for your company’s products and services.
