Why Sponsor BI 2021, Virtual Edition?

Building Innovation, the National Institute of Building Sciences annual conference, focuses on advances and solutions to common issues faced in the built environment. And this year we will focus on lessons learned from a year we will never forget, and how we have become more resilient than ever when it comes to building in our communities, our infrastructure, and technologies in the places we live, work, learn and play.

As the premier event that brings together executives and top decision-makers in government, the professions, industry, labor, and private sector, this is the place to showcase your company's innovative products, services and solutions. Tap into an audience seeking the latest trends in technology, workforce and resilience, to be used in buildings and communities throughout the world.

Building Innovation 2021 includes sponsorship opportunities starting as low as \$1,000, designed for any budget, suited to any level of exposure, and completely customizable. Repeat sponsors agree: Building Innovation is committed to helping sponsors maximize their dollars. If you are new to Building Innovation, establish yourself as a key player by sponsoring this must-attend event.

Please review the sponsorship opportunities laid out in this Sponsorship Prospectus and, if there is something you are looking for that you do not see, the National Institute of Building Sciences will personally craft an experience that is right for your company's products and services.

Daily Educational Track & Opening Keynote Speaker Sponsorship

Sponsoring the daily educational track—Resilience, Technology or Workforce—and the daily opening keynote speaker is an excellent way to help Building Innovation provide quality speakers for the annual conference. Keynote speakers will kick off each day’s educational track and are generally heard by all attendees, exhibitors, speakers and VIP guests. Each sponsoring company will have the opportunity to introduce the keynote speaker, provide a short 1-2 minute video about your company, have your logo shown on the screen before, during, and after the keynote, and following all education sessions for the day. Your company logo will link to your company’s exhibit booth within the conference platform. At the end of each session, your company will receive session analytics, with full attendee contact information for that session. Your company will also receive the conference registration list for one-time use, branding on our conference website, a prime exhibit booth in our virtual exhibit hall, and five (5) complimentary BI2021 registrations.

Become a Conference Exhibitor

The exhibit hall is where conference attendees turn to for the products and solutions they're seeking to help them build more resilient, eco-friendly and cost-effective structures where we live, work, learn and play. Exhibitors will share new products, services, and technology where attendees will network and play games, while learning about your company's breaking new innovations. The exhibit hall is open to all conference attendees and is the best place to connect directly on a daily basis. Purchase an exhibit booth and gain visibility on the conference website, access conference registration list for one-time use, and receive two (2) complimentary BI2021 registrations.
