

Building Innovation 2025

Conference & Expo Sponsorship Prospectus

Why Sponsor BI2025?

Building Innovation, the National Institute of Building Sciences' annual conference, focuses on advances and solutions to common issues faced in the built environment.

NIBS has served the building community for 50 years - exploring solutions, products, and services that make our environment safer, stronger, and more sustainable. If your business goals for 2025 include raising your brand's visibility to our core group of industry experts and decision-makers, we invite you to join us at Building Innovation 2025.

As the premier event that brings together executives and top decision-makers in government, the professions, industry, labor and private sector, this is the place to showcase your company's innovative products and services to an audience seeking the latest trends in technology, sustainability and resilience, to be used in buildings and communities throughout the world.

Please review the opportunities laid out in this Sponsorship Prospectus and, if there is something you are looking for that you do not see, the National Institute of Building Sciences personally will craft an experience that is right for your company's products and services.
